DigiFinex - Cryptocurrency Exchange
Published by Stephanie Ho (7), 2 November 2020 🌐

📺 For our 10th AMA we are doing something different... is an #EO project! 🤖 Are you as thrilled as we are to hear about this? In this episode we have invited the CEO of Hollygold, Dior Wu to guest at our AMA with DigiFinex's CXO Kiana Shek to talk you through how #HGOLD as a multi-purpose movie digital #currency is created to facilitate the movie ecosystem.

🎫 Join us on Nov 5th at 11AM (GMT+8). Tickets come on a first-come-first-served basis: <https://www.eventbrite.hk/e/127672374509>

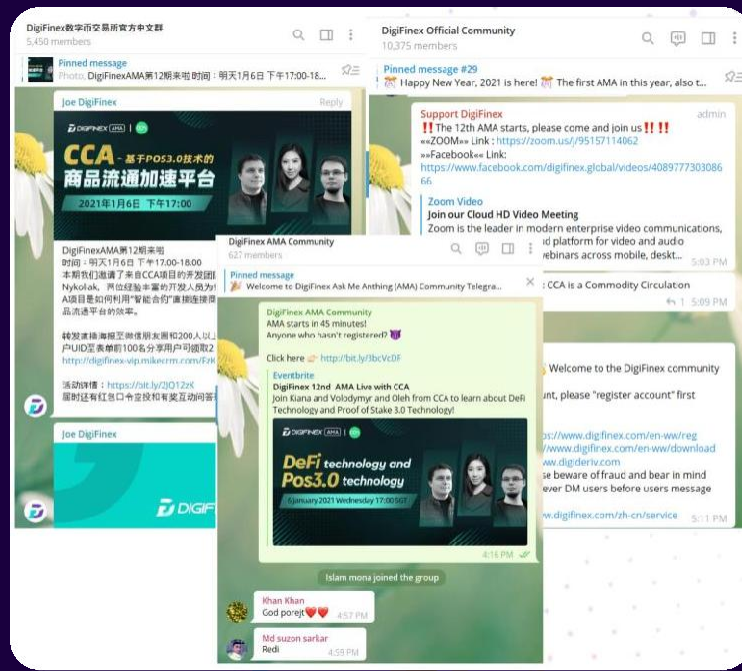

📢 SHARE our social event post and ❤️ TAG @DigiFinex.global on Facebook or DigiFinex - Digital Asset Exchange on Twitter to earn amazing rewards!

- 1 Follow us on Twitter and Facebook
- 2 Tweet and Tag us
- 3 Submit your screenshots with DigiFinex UID to <https://bit.ly/35UNBoX>
- 4 Earn \$1 HGOLD (worth of \$2.5 USDT)

Read here: <https://bit.ly/2GiY7h2>

The promotional image features the DigiFinex logo with the AMA tag and the HollyGold logo. Below the logos, the text reads "THE GOLDEN BRIDGE OF HOLLYWOOD DREAMS AND WORLDLY LIVING". At the bottom, it states the event date and time: "5 November 2020 | Thursday | 11:00 SGT". On the right side, there are portraits of Kiana Shek, CEO of DigiFinex, and Dior Wu, CEO of HollyGold. The background includes the words "HOLLYWOOD" and "HOLLY" in large, stylized letters.

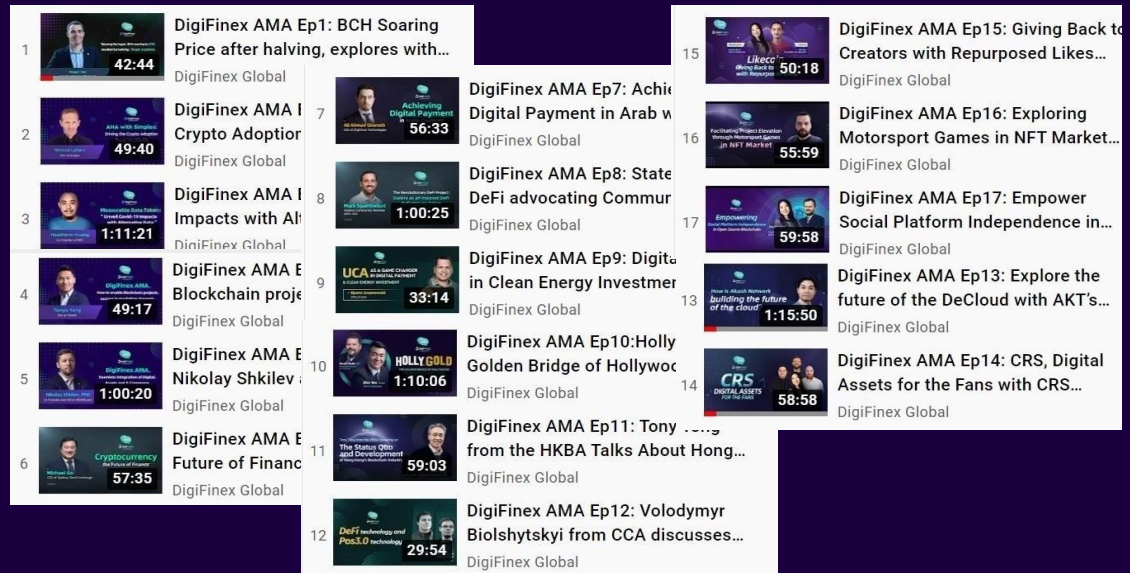

Livebroadcast on Zoom, YouTube and WeChat

Hosted by DigiFinex CXO Ms. Kiana Shek to global users, with script translated into Chinese for live-streaming to Chinese members.

Post-AMA

AMA recording will be edited and uploaded to YouTube and Youku, and AMA content will be published on DigiFinex Blog.

A thin vertical line runs down the left side of the slide, with a small white circle positioned on it.

More About

DigiFinex

Our Core Values

Diversity

We value difference.
Personalize a portfolio based
on your investment needs and
values with us.

Sustainability

We are committed to create
social impact for investing,
to educate the market for
industry prosperity and to
build a better marketplace
for your good.

Integrity

We achieve excellence by
embodying the highest
ethical standards,
communicating openly,
authentically and with
humanity.

Dependability

We take care of you -
your needs and crypto
assets.

Why Choose DigiFinex?

Secure

Top level of security with highly encrypted personal information. 98%+ of assets locked in cold storage.

VISA & Mastercard accepted

Buy crypto directly with credit/debit card and trade against 300+ cryptos.

Low Fees

Volume-base fee structure. We give trading fee rebate to high volume traders.

Profitability

Trade crypto with 5x leverage. Multiply your asset by generating passive income on your crypto.

Our Services

Market Making

Bring liquidity to project tokens. Higher trade volume leads to higher market capitalization.

PR & Marketing

Improve a project's visibility and market influence by exposing on top crypto press.

Community Engagement

Innovative marketing campaigns such as token airdrops and trading competition.

Event Promotion

Join us at blockchain events, or speak at conferences to raise the Project's profile.

Our Products

Spot Trading

Users can quickly and easily trade **300+** cryptocurrencies.

Margin Trading

3X or **5X** leverage to earn higher returns with lower capital.

DigiDeriv

Perpetual contract trading with **100X leverage** to enhance users' buying power.

Buy Crypto

Purchase 20+ cryptocurrencies directly with 50+ major fiat currencies with **Visa & Mastercard**.

Quant Fund

Fund products are stringently hand-picked generating **high returns** that exceed traditional investment.

Flexi Earn

Flexible deposits with **10%APY** for USDT of daily interest earnings.

Crypto Loans

Borrow various crypto assets **immediately** at a flexible interest rate, repay anytime.

Application Form Link:

<https://forms.gle/K3yTZ9kS6NCcPHFLA>

- All information must be accurately filled in, otherwise it will affect the listing
- If the information provided is insufficient, and the assessment fails, you will not be notified
- Please fill in “NA” for non-applicable questions
- Ensure the details of your token/coin are valid and all protocols licit.
- If you have previously filled out the application form, please refrain from reapplying. Any submissions with duplicate information will be denied.
- Disclosure of listing information is forbidden until the company officially issues its listing announcements.
- Unauthorized use of the company's logo in relative marketing material is prohibited.

- Additional questions (if any) will be asked by our listing team. A listing officer will be assigned to your team in order to lend assistance where and when necessary. The designated official will give you a step-by-step walk through by setting up a group on telegram for proper discussion between Digifinex and your project.

We thank you for your support.

Digifinex Listing Team.
